Toby, Cerri 102 flyingsport

Successful Cerri shipyard model with modern design and fast hull (up to 40 knots). Wide living areas either inside or on deck.

Toby offers a huge salon with warm décor, bright color sofas, dining table and Fendi Home chairs; a full width opening sunroof gives brightness to the area. Forward a lower salon with library and Tv screen.

Wide deck spaces with a very spacious top deck where the three seater driving chair block is a multifunction unit that turns in a large sundeck area; chaises longues complete the comfortable upper deck space.

On main deck forward Toby offers a large sundeck area and a huge circular settee that can accommodate up to 20 guests comfortably seated (ideal for alfresco dining), under the shadow of a bimini top. Astern (cockpit) there's a large dining table for 10 guests with frigobar and a comfortable sundeck space with mattresses.

Many works done onboard recently: in 2018 the interior moquette and all exterior sundeck cushions have been replaced and the hull has been fully painted in 2019.
