IRWIN YACHTS 65'

We sail from May to October in the Aegean Sea, visiting spectacular islands with small corners of land and bays with turquoise waters, where mass tourism has not yet arrived.

A sailing adventure is an ideal way to experience what many consider the world's most beautiful islands, the Greek islands, a unique land.

Greece means history, culture, sun, sea and unforgettable landscapes.

A journey back in time, with a great number of visits to historic sights, castles and temples that reflect their importance in ancient and medieval times.

Moreover the Dodecanese islands benefit from the longer warmer season.

Over the years we have acquired extended knowledge of these places, and we are now able to create "tailor-made holidays" a trip full of comfort, relaxation, culture, and adventure.
